## KENTUCKY REPUBLICAN PLATFORM.

Adopted at Louisville, Aug. 10th, 1897.

Resolved, by the Republican party in Convention assembled—

First—That we reaffirm the principles of the Republican party as set forth in the platform adopted by it at St. Louis in 1896.

Second—That we endorse the Republican National and State Administrations, and especially commend the action of our present state officials in their efforts to suppress mob violence and to preserve the financial credit of the state.

Third—We commend the action of the representatives of the Republican party in the passage of a Tariff Bill which will raise revenue sufficient to support the Government, prevent the issue of interest-bearing bonds, protect American labor and maintain the National credit.

Fourth—We are opposed to a system of Civil Service that builds up an official class with practically a life tenure in almost all branches of the public service, and we demand that the Civil Service Law be modified so as to limit the terms of service to four years, with the privilege of reappointment or promotion, subject to such restrictions as will secure competent officials and give to every section of the country its proper proportion of them.

Fifth—We heartily sympathize with the struggling people of Cuba in their efforts to secure liberty and independence.

Sixth—That we recommend to the people the adoption of the Constitutional amendment submitted by the last Legislature, allowing all cities and towns the privilege of regulating under legislative supervision the method of levying the taxes they impose on themselves for city and town expenses.

Seventh—We favor the passage of a law that will protect the laborers of Kentucky from the competition of convict labor, and, if necessary to accomplish said result, an amendment to the Constitution permitting such legislation.

"The best way to get rid of a bad law is to enforce it."—General Grant.

Therefore THE LEDGER favors the rigid enforcement of the Civil Service Law.

It is easy for the advocates of silver to assert that the advance in wheat is due to shortage in the foreign production, but how are they going to account for the advance in all other farm products? Nearly every production of the farm has increased in value, while silver has been as steadily falling in price. The latest farm product to hear from is cotton seed and cotton-seed meal, which have advanced very rapidly of late. Southern newspapers reporting high prices and that every consignment is eagerly seized by buyers.

The Aberdeen Yellow Ribbon Fair comes off next Thursday and Friday.

C. L. Leon, the scene painter, who created a sensation in Bourbon county several years ago by eloping with a Millersburg girl, is under arrest at Lima, O., charged with bigamy.

## KENTUCKY NEWS.

The Latest News From All Parts of the Commonwealth.

**GAINES DENIES IT.**

He Discredits a Report That He Will Attack Gov. Bradley.

FRANKFORT, Ky., Sept. 25.—A Louisville afternoon paper contained a sensational publication Friday to the effect that Capt. Noel Gaines would soon give out a statement telling the "inside history" of the bringing of the famous Hunter indictments. It was stated that this statement would be made the basis of a suit in the federal court of Dr. Hunter against Gov. Bradley for conspiracy.

Capt. Gaines Friday gave out a statement disclaiming any responsibility for the publication and again exonerating Gov. Bradley. He says there was absolutely no foundation for the story, and all he has to tell was told on the witness stand in the Hunter trial. Gov. Bradley denounced as infamous the effort to connect him with the indictment against Hunter and others.

LEXINGTON, Ky., Sept. 25.—Capt. Jas. C. Bryant, a well-known republican politician, and William Norman, a ward worker, were indicted by the Fayette county grand jury Friday for the part they took in the republican convention row last Friday at Woodland park. Norman is indicted for "maliciously striking and wounding with intent to kill" Col. W. R. Millard, who was knocked in the head with a club, and Capt. Bryant gets one count for cracking the head of William Croghan, son of the republican candidate, Frank Croghan, and another for carrying concealed deadly weapons.

**New Kentucky Corporations.**

FRANKFORT, Ky., Sept. 25.—There is a great rush of new incorporations in the office of the secretary of state recently, and also of articles by corporations filing notice of acceptance of the provisions of the new constitution. This is due to the fact that a large number of laws regulating private corporations go into effect September 25, and this is a necessary step on the part of corporations that desire to take the benefits of these laws. Among those which Friday filed notice of acceptance of the constitution were the Permanent Building association and the Cottage Building and Loan association, No. 2, both of Covington.

**No Case Against Bankers.**

FLEMINGSBURG, Ky., Sept. 25.—The grand jury here adjourned after returning six indictments. The warrants against David Wilson and Watson Andrews, president and cashier of the defunct Exchange Bank, charging them with receiving deposits when knowing the bank to be insolvent, were thoroughly investigated and no indictments were returned. The charges were accordingly dismissed.

**Gas In Kentucky.**

LANCASTER, Ky., Sept. 25.—Gas was struck in this county on the farm of Ed Farris, while boring for water. In some manner the flow became ignited, and, on account of so much property being in danger, the owner was forced to plug it up.

**Kentucky Finances.**

## GOOD HEADWAY

Made with the War Vessels Under Construction.

With the Exception of the Four Torpedo Boats Last Ordered.

Peace Proclaimed at Montevideo—Final Decision Reached by the Arbitrators in the British Guinea-Venezuela Dispute as to the Fifth Arbitrator.

WASHINGTON, Sept. 25.—According to reports received at the navy department from the various ship yards where naval work is in progress, with the exception of four torpedo boats last ordered, good headway is being made with the ships under construction. These four boats are distributed among the Harlan & Hollingsworth, Wolff & Zwicker, and the Gas Engine and Power company, and while the actual work of construction upon them has not begun, much has been done in the gathering of material to start the work. Of the big ships the battleships Kearsarge and Kentucky, at Newport News, are 41 per cent. advanced towards completion. The battleships Illinois, Alabama and Wisconsin were ordered later and they are not so well along, the figures being 30 per cent. for the Illinois at Newport News; 21 per cent. for the Alabama at Cramp's and 14 per cent. for the Wisconsin at the Union iron works.

One gunboat is now being built, namely, the Princeton, at Dialogues, in Camden, and this is 90 per cent. advanced toward the end. The queer submarine boat, the Plunger, built at the Columbian iron works, is going on slowly, probably because the plans are untirely novel and the work is more or less experimental. The state of work on the torpedo boats is as follows:

Rodgers, 90 per cent.; Winslow, 87 per cent.; Rowan, 80 per cent.; Dahlgren, 4 per cent.; Graven, 4 per cent.; Farragut, 6 per cent.; Davis, 52 per cent.; Fox, 45 per cent.; Talbot, 40 per cent.; Gwin, 40 per cent.; Mackenzie, 40 per cent.; McKee, 15 per cent.

A cablegram received at the state department from United States Minister Stuart at Montevideo announces the proclamation of peace there. He had previously reported that all arrangements had been made looking to peace, but that the plan required the ratification of congress. It is assumed that this has now been given and that the insurrection is at an end.

A final decision has been reached by the arbitrators who are to determine the British Guinea-Venezuela boundary line, as to the fifth arbitrator or umpire, who is to act with them. His name is for the present withheld. It is not Baron Courcelle, whose name has been mentioned in this connection, nor King Oscar of Sweden, who was to name the umpire only in case the arbitrators failed to agree. An agreement was reached without the necessity of calling on the Swedish sovereign. The umpire is an European, but this is said to be without significance since no question involving the Monroe doctrine is to be submitted to the tribunal. The arbitrators in behalf of Venezuela are Chief Justice Fuller and Justice Brewer, of the United States supreme court.

WASHINGTON, Sept. 25.—The department of the interior has accepted the bid of Frederick L. Gilbert for all the timber on Red Cliff Chippewa Indian reservation in Wisconsin. It is estimated that the timber amounts to 100,000,000 feet, and Mr. Gilbert's bid is \$419,000. The conditions of the sale provide that Mr. Gilbert shall establish mills on the reservation and manufacture there the lumber to be made from the timber; that he shall cut not less than 10,000,000 feet nor more than 20,000,000 feet a year, and that he shall employ Indian labor when practicable to do so.

**Monument Over Harriet Beecher Stowe's Grave.**

ANDOVER, Mass., Sept. 25.—A cross of Scotch granite over 12 feet high has been erected over the grave of Harriet Beecher Stowe. It is copied after one in the possession of the duke of Argyle, which Mrs. Stowe greatly admired while visiting in Scotland. Upon the cross is the inscription "Tribute of Loving Remembrance. Erected by the Children," and lower down, "1811, Harriet Beecher Stowe, 1897." Upon the white granite pedestal is the inscription, "Her children rise up and call her blessed." The grave of Mrs. Stowe is in the private cemetery of Phillips academy. In the same lot are buried her husband and son.

**Heir to a Quarter of a Million.**

SAN FRANCISCO, Sept. 25.—W. F. Karron, imprisoned in the county jail here charged with embezzlement, has fallen heir to a quarter of a million dollars. James Karron, the prisoner's uncle, who was a prominent mining operator of Montana and died last week at Austin, Ia., leaving property valued at \$500,000, to be equally divided between his two nephews. One of these is the prisoner, W. F. Karron, the other Linne Karron, a barber in Sioux City, Ia.

**One Hundred Cases of Whisky Seized.**

PORT TOWNSEND, Wash., Sept. 25.—Four hours were spent here by customs officers in searching the steamship Williams previous to her departure for Alaska. The search was rewarded by the discovery of 100 cases of whisky, which was seized. The steamer carried a full cargo of freight and 110 passengers.

**Will Float a \$10,000,000 Loan.**

OTTAWA, Ont., Sept. 25.—Hon. W. S. Fielding, Canadian minister of finance, left Friday for England to float a \$10,000,000 loan. Five millions of this amount will go to the payment of the Crows Nest Pass railway and the deepening of the Canadian canals.
